

## Sommelier's City Walk

### MEDIA RELEASE

For immediate release  
Monday 20 April 2009

The Sommelier's City Walk is the most indulgent addition to the Hidden Secrets Tours range of Melbourne experiences. When perhaps a wine tasting in the regions is not enough, or time is against you, join this early evening outing that will tantalise your senses.

Wine is the focus of the evening as small groups are led to three restaurants by one of our knowledgeable hosts, where they are offered a private sitting with the resident sommelier. An informative and relaxed conversation follows, as guests enjoy three generous "tastes" from the menu, they are introduced to three different wines, expertly matched to bring out the best in both food and wine!

A concept initiated by Director, and Melbourne Award winner Fiona Sweetman, and enhanced by tour host Amelia Best, this wine buff's option will continue long after Grape Grazing and Food & Wine Festivals have finished. Visitors and locals will equally enjoy the up-to-date snapshot of what's happening in the Melbourne wine and food scene, as well as sample some of Melbourne's finest epicurean creations, all year round.

Restaurants involved in the tour include Bistro Vue, La Vita Buona, Comme, Cumulus Inc, Fifteen, Gills Diner, Maha, Movida Next Door, Oyster Little Bourke, The Press Club, Taxi, Seamstress, Verge, and more...

Hidden Secrets Tours is known for being passionate about contemporary Melbourne, we choose local heroes to spoil our clients; owners and operators who share our enthusiasm for design, and customer service. By demystifying the role of the sommelier, and showcasing dining opportunities where wines are as innovative as the food, we hope to inspire a greater appreciation of wine and food anywhere.

As you walk around the city, with one of our experienced hosts you will see and hear so much more about the city and its quieter achievers that you'll want to join us again for the next instalment... Each day is a different selection, and each walk is just a few blocks... Indulge with us! The tastes will amaze you.

Every Monday - Thursday, 5:00 - 7:30pm.
